

WORKSHOP AT THE PSYCHOANALYTIC COUPLE AND FAMILY INSTITUTE OF NEW ENGLAND

The Basics Of Psychodynamic Family Therapy

Relational psychoanalysis and general systems theory integrate very naturally with each other and form a solid and clinically productive foundation for psychodynamic therapists to use as they venture into family therapy. These foundations will be presented and illustrated with clinical examples. Participants who have tried this work will have a chance to share their experiences.

Date: April 4, 2009

Time: 9:30 a.m. – 12:30 p.m.

Location: 18 Whittier Road, Lexington, MA
